

# TREE CERTIFICATE

**DOTTY World planted**

# 1 TREE

The tree projects you support help fight climate change, create habitats for animals, ensure healthy soils and restore water cycles, while strengthening local communities through income and education opportunities. Impact Hero works with project partners in over 20 countries in the Global South, where the impact is greatest.

**This certificate confirms your contribution to sustainable development through impact Projects in the Global South.**

SCAN the QR code to get more information about our impact projects.
